DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The Office action mailed August 4, 2009, has been vacated.

In preparing the Office action mailed August 4, 2009, the Examiner mistakenly overlooked the first Office, which was mailed February 16, 2007, and Applicant's response to that first Office action.

A supplemental Office action addressing the issues raised by the first action on the merits, which was mailed February 16, 2007, and Applicant's response to the first Office action will be prepared.

Applicant need not prepare a response to the Office action mailed August 4, 2009, and should instead wait to respond to the supplemental Office action to be completed as soon as possible.
